FINDINGS OF FACT

Section 1.01 Findings

As an incident to the enactment of this ordinance, and the issuance of the bonds provided for herein, the City Council of the City of Easley (the “*City Council*”), the governing body of the City of Easley, South Carolina (the “*City*”), finds that the facts set forth in this **Article I** exist and the following statements are in all respects true and correct:

(a) The City has made general provision for the issuance from time to time of Stormwater System Revenue Bonds (the “*Bonds*”) of the City through the enactment on October 10, 2016 of an ordinance entitled “AN ORDINANCE PROVIDING FOR THE ISSUANCE AND SALE OF STORMWATER SYSTEM REVENUE BONDS OF THE CITY OF EASLEY, SOUTH CAROLINA, AND OTHER MATTERS RELATING THERETO” (the “*Bond Ordinance*”).

(b) It is provided in and by the Bond Ordinance that, upon enactment of a Series Ordinance there may be issued one or more series of Bonds for the purpose of obtaining funds for the repair, renovation and equipping of improvements to the stormwater system of the City (the “*System*”); providing funds for the payment of any bond anticipation note or notes that may have been issued in anticipation of the issuance and sale of Bonds; refunding Bonds or other obligations issued to provide land or facilities that are or are to become a part of the System or that are or were payable in whole or in part from revenues of the System; providing funds for the payment due of interest on such Bonds; funding a debt service reserve fund established for the benefit of the Holders of a particular Series of Bonds or restoring such funds to their required funding level; and paying the cost of issuance of Bonds, including the cost of any credit enhancement therefor.

(c) The City currently has outstanding the following obligation secured by the Bond Ordinance:

(i) \$276,000 of an original principal amount \$432,000 Stormwater System Revenue Bond, Series 2016 (the “*Series 2016 Bond*”).

(d) The City Council has determined that it is in the best interests of the customers of the City to raise additional moneys to defray the costs related to the acquisition, construction, renovation, installation, furnishing and equipping of various capital improvements to the System (collectively, the “*Improvements*”).

(e) By reason of the foregoing, the City has determined to enact this ordinance as a Series Ordinance in accordance with the terms and provisions of the Bond Ordinance in order to effect the issuance of the bonds described herein for the purpose of (i) defraying the costs of the Improvements and (ii) paying the cost of issuance of said bonds.

(f) This Series Ordinance supplements the Bond Ordinance, constitutes and is a “Series Ordinance” within the meaning of the quoted term as defined and used in the Bond Ordinance and is enacted under and pursuant to the Bond Ordinance.

(g) The Series 2020 Bond constitutes and is a “Bond” within the meaning of the quoted word as defined and used in the Bond Ordinance.

(h) The Gross Revenues pledged under the Bond Ordinance are not encumbered by any lien or charge thereon or pledge thereof, other than the pledge thereof created by the Bond Ordinance, providing for payment and security of the Bonds. As of the date hereof, the Series 2016 Bond constitutes the only Outstanding obligations of the City secured by the Gross Revenues.

(i) There does not exist an Event of Default, nor does there exist any condition which, after the passage of time or the giving of notice, or both, would constitute an Event of Default under the Bond Ordinance.

(j) There is no Reserve Requirement for the Series 2020 Bond, and a Debt Service Reserve Fund will not be established for the Series 2020 Bond.
